Dear Eric,

Thank you for your e-mail note. I continue my interest in Ormsby and certainly would like to have a sharp resolution copy of your broadside, as noted.

I'm not sure that I or anyone else will ever do much in the way of a listing of bank notes and who issued them, apart from what can be found in the Haxby and specialized books. It would be interesting to cross reference these, but the project is probably beyond the time and finance of anyone!

I look forward to seeing you at the ANA Convention.

Sincerely,
